

Rainbow Cloud template sheet

What you need for this project:

- *Core wool/batting for the rainbow shape approx. 3g
- *Coloured batting/carded slivers for the rainbow.

*2 x 38g triangle felting needles
or similar

I used Corridale carded slivers in:

| | |
|------------|-------------------------------|
| Lavender | Begonia |
| Aqua | Dream (for the raindrops) |
| Leaf green | White (for the cloud) approx. |
| Catkin | 2.5g for both |
| Marigold | |
| Scarlet | |

*Length of embroidery thread for
hanging your rainbow (optional)

Enjoy!

Glue the rainbow and cloud onto a piece of card (cereal box or
a thick cardboard box
